

Uttarakhand

Inward Journey

- People who want to come back to Uttarakhand have to mandatorily register themselves on the web link (<https://dsclservices.in/uttarakhand-migrant-registration.php>) and download the format (Annexure-2) available there, prior to beginning their journey. They have to submit this format during screening at the border check posts.
- Such people shall apply for permits from concerned districts in Kerala, contact district administration for medical screening.
- The information about such people for whom passes are given by the DCS in Kerala will have to be shared to the State Nodal Officers.

Outward Journey

- District Nodal Officers in Uttarakhand would issue passes to all those people who are willing to move to other States in their Private Vehicles. These permits shall clearly mention the destination State and District, date of journey and the route. Movement from Containment Zones would not be permitted till such time as restriction Vehicles.
- They should register on norkaroots website of kerala and using the Id thus generated, should apply in covid19jagratha portal to the respective district collectors.
- They should start movement after both the source and destination states issue passes.
